

## JAP JI: NINETEENTH PAUREE

The nineteenth pauree brings universal knowledge, inspiration and revelation.  
If you understand this pauree, you'll never have any trouble understanding anything.

Countless Names, countless Places.  
Unfathomable, Inaccessible, Countless  
Celestial Realms. Even to call them  
countless is to carry the weight of your  
mistakes on your head. From the  
Word, comes the Naam; from the  
Word, come Your Praises. From the  
Word, comes Spiritual Wisdom,  
singing the Songs of Your Glory.  
From the Word, come the written and  
spoken words and hymns. From the  
Word, comes one's destiny, written  
upon the forehead. But the One who  
wrote these Words of Destiny - His  
Forehead is not written upon. As He  
ordains, so do we receive. The created  
universe is the manifestation of Your  
Name. Without Your Name, there is no  
place at all. How can Your Creative  
Potency be described? I cannot even  
once be a sacrifice unto You. Whatever  
pleases You is the only good done,  
You, the Eternal and Formless One.
