## ***EFFECTS OF THE JAP-JI PAUREES***

Japji Sahib

The Mul Mantra is a fate killer. It removes the fate and changes the destiny to complete prosperity.

1. The First Pauree is an antidote to depression. It will lift you from the deepest depression, insecurity, nightmares and loss.
2. The Second Pauree imparts patience and stability
3. The Third Pauree transforms insufficiency into sufficiency, turns depression into elevation and transforms low self-esteem into complete self-confidence.
4. The Fourth Pauree blesses those trapped in feelings of poverty and lack of means. It blasts through the trap of these feelings like a thunderbolt from the blue.
5. The Fifth Pauree must be recited when you feel a sense of failure within yourself. When you feel that you are not up to the job this pauree will grant you all success.
6. The Sixth Pauree dispels limitation. Recite it when you feel limited, cornered, trapped or coerced.
7. When you suffer from greed, madness for power, overbearing expansion and the need to control, when you become trapped in your territoriality, the Seventh Pauree will heal you.
8. The Eighth Pauree gives the power to be a perfect sage.
9. The Ninth Pauree gives expansion.
10. The Tenth Pauree grants grace.
11. The Eleventh Pauree gives virtuousness.
12. When you feel small, the Twelfth Pauree gives you solidarity of self, self-impressiveness and self-respect.
